

# **I AGREE**

With the registration of my personal data

- I authorise BD Associates S.A. to gather, process and retain my personal and professional data in the firm's files and worldwide database, and to use same for the purposes of its search for senior executives and consultants;
- I consent to the information concerning me being accessible by the offices of BD Associates S.A. worldwide, including in countries outside Europe, to be processed in the strictest confidentiality;
- I consent to BD Associates S.A. using and disclosing certain information concerning me for research or statistical purposes, in summary form, without identification of the persons involved;
- I consent to BD Associates S.A., its client or an authorised third party, checking the data concerning myself: chronology of my professional activities, membership of trade bodies, diplomas, etc., and requesting references about me if need be.
- I consent to BD Associates S.A. retaining the information concerning me for an open-ended period of time, unless the local regulations provide otherwise;
- I acknowledge being aware that I may request, at any point in time, to no longer be contacted by BD Associates S.A., in which case my request shall be complied with and registered in the database;
- I acknowledge being aware that the decisions taken by BD Associates S.A. take place in a non-automated manner, and that any automated information systems are merely ancillary to the provision of the services of BD Associates S.A.;
- I acknowledge being aware that I can on request access the data concerning myself and, where applicable, request that any information concerning me be corrected or updated;
- I confirm that the information that is provided to BD Associates S.A. is accurate and truthful and that I shall inform BD Associates S.A. of any modification;
- I pledge to preserve the strict confidentiality of any information concerning a specific mandate, position or client which is provided to me as part of the implementation of such a mandate.
